MEET TEAM QRIGHT

LUKE JOHNSON

With over 10 years of experience, Luke Johnson is a skilled lighting and stage technician in Birmingham and the West Midlands. He has worked across theatres (The Old Rep, The Rep), purpose-built venues (IEC, ICC), and concert halls (Birmingham Town Hall, Symphony Hall).

Luke has also worked in London on fringe productions and served as a resident designer and technical manager for drama and dance companies.

As the founder of QRight, he provides technical and creative solutions for theatre, live events, and corporate productions, specialising in lighting, sound, AV, staging, and effects.

Now focused on education, Luke is dedicated to mentoring the next generation of technicians, sharing his expertise to shape the future of the industry.

CLIENT REVIEWS

See what our clients say about QRright's expertise, service, and dedication to making every production a success.

“

QRright, proved to be an invaluable asset. Their expertise in the field was evident, as they not only met but exceeded our expectations. They offered creative ideas to enhance our choreography and concepts, and were incredibly accommodating to any requests we had.

Without hesitation, we highly recommend this exceptional company.

Marilyn Harris School of Dance
Pirouettes & Popcorn 🍿

“

The large hard working company certainly did their director proud and equally lighting designer Luke Johnson excelled as he turned the Town Hall into a psychedelic dream show.

★★★★

Euan Rose, Bromsgrove Standard
TFTR The Who's Tommy The Musical

QRright. @QRrightSolutions

“

Professional performances from both lead and supporting actors... complimented by a superb set, sound and lighting. This is a West End standard production at the Cornbow Hall in Halesowen.

Mark Moran
TFTR Calendar Girls The Musical

QRright. @QRrightSolutions

“

Highly recommend! ★★★★★ Top quality service from beginning to end - and nothing was ever too much trouble! Luke communicated throughout the whole process and made the whole show weekend a smooth experience. Honestly wouldn't ever go anywhere else than QRright!

Asher Ludlam, Principal
Infinity SOD, Born To Shine 2024

QRright. @QRrightSolutions

“

I've done a few of these for other local dance schools and your shows are best by a mile. Lighting was amazing as well, looked really professional.

Eternal-Images
Infinity SOD, Born To Shine 2024

QRright. @QRrightSolutions

“

As a team of dance teachers we welcomed the support and advice to make our production the best it could be. They were kind, professional and approachable. Stage lighting was better than we ever imagined!

FREQUENTLY ASKED QUESTIONS

What types of events do you support?

We cater to a variety of events, including:

- 💚 Theatre Productions – From school performances to large-scale productions.
- 👛 Corporate Functions – Conferences, product launches, and networking events.
- 🎸 Concerts & Festivals – Live music events with full technical support.
- 🎉 Private Events – Weddings, parties, and bespoke celebrations.

Do you offer long-term equipment hire?

Yes! We provide both short-term and long-term rental options to suit your needs. Whether it's a one-night show or an extended production run, we've got you covered.

Can you help design a custom lighting setup?

Absolutely! Our production design team can create bespoke lighting, sound, and visual setups tailored to your vision that enhance your event's atmosphere.

How do I get a quote for my event?

Simply contact us with your requirements, and we'll provide a tailored quote. There are many ways to contact us: through our website contact form, DM our social media, send us an email - we are happy to help!
